

## Scholarship Application

The Three Rivers Foundation-Supporting Education was established in 2017, as a 501 (c) (3) foundation to benefit New Hampshire students who are pursuing post-secondary school education. The foundations goal is to establish and develop collaborative relationships with businesses, schools, and families to enable students to pursue opportunities in technical and vocational training. These collaborations will help to develop work opportunities for students in New Hampshire communities during and after their technical and vocational training.
