

# How to Apply to the HACTC:

**For help completing your application, please see your school counselor or call the HACTC School Counseling Coordinator, Tim Hebert, at 802-359-4724.**

- Students are encouraged to complete an interest/ability inventory at their home schools.
- Students and parents/guardians are invited and encouraged to attend a HACTC Virtual Town Hall (via Google Meet) on one of the following dates:
  - **Tuesday, December 14, 2021, at 7PM**  
Google Meeting ID: [meet.google.com/gix-qauf-psk](https://meet.google.com/gix-qauf-psk) or  
Phone: (US) +1 470-329-0349 PIN: 769 145 883#
  - **Wednesday, January 19, 2022, at 7PM**  
Google Meeting ID: [meet.google.com/zff-bdbe-nuv](https://meet.google.com/zff-bdbe-nuv) or  
Phone: (US) +1 260-305-0017 PIN: 949 168 201#
- Students and parents complete the entire HACTC application online, including a parent/guardian signature. Students can apply for a first choice program and a second choice program. We recommend applying to a second choice program in case the first choice program has more applicants than spaces available.
- **The HACTC student application will be live on the HACTC.com home page starting Friday, December 17, 2021.**
- School counselors will be notified when a student submits their online application, and counselors will then provide a transcript and supplemental documentation directly to the HACTC. The application is not complete until all of this information is received by the HACTC.

- **Student applications, including supplemental forms and transcripts from school counselors, are due to the HACTC by Friday, January 21, 2022.**
- Students will be notified of acceptance status (conditionally accepted, wait listed or denied) by school break in February.
- Please note: All acceptances are considered conditional based on successful completion of this school year and obtaining Junior status. And, if a student is on an IEP/504 plan, a meeting must be held to determine if it is an appropriate placement.

**Students from Rivendell Academy and Thetford Academy may apply for the following HACTC programs:**

- |                                       |  |
|---------------------------------------|--|
| • Autobody, Motorsports & Customs     | • Information Technology                   |
